An Order for COMPLINE

From the *Anglican Service Book*

April 25, 2026

Preface

In the following is an adaptation of the *Compline* service from the *Anglican Service Book*, which is an adaptation of the Rite II services from the Book of Common Prayer (1979) to a Rite I language. In the following, I have taken the liberty of including more options from the Compline of the Book of Common Prayer (1979), as well as some notes from the Anglican Breviary. Specifically:

1. Additional Brief Lessons;
2. Instructions from the Anglican Breviary;
3. Additional instructions to break up the text a little bit more (these are my personal opinions, presented as if they were real instructions; I won't mark them);
4. Music for the Psalms, where **bold** indicates the note which one comes off from the monotone, the <u>underline</u> denotes sharing the same tone for both syllables, the accént indicating a shift in the mediation after the principal shift, and the ümlaut indicates a *pes* or *clivis*.
5. Additional collects, with minimal changes (you to thee, and your to thy/thine)

This project is a personal project, created as a hobby.
